What did we do this month?

This month, we met with one new client. We also were able to assist a group of social workers, law enforcement and pastors who rescued an 18 year-old female with her 10-week-old daughter from a trafficking situation. We found them a safe house, and now her trafficker is in prison! Praise God!!

Our advisory board met for our Summer meeting. We did not have a large turn out for this meeting, but those who were able to meet had great discussions and gave Triad Ladder of Hope ideas and connections that will help us in the months to come.

The advisory board is composed of individuals who want to support Triad Ladder of Hope but they may have limited availability. If this is something you are interested in, please reach out! We meet every January and June.

EXECUTIVE DIRECTOR'S MESSAGE

My name is Brianna Racchini. I accepted this position and moved to North Carolina in September of 2021 with my husband and our two dogs. We are so thankful for this opportunity, and we look forward to what 2022 will bring us.

This is going to be a year filled with a lot of changes. Thank you all for your prayer and support as TLH moves forward with exciting new projects. TLH is a wonderful organization, and I am so blessed to be a part of it.

Prayer Requests

The Bible tells us to pray. It gives us examples of how to pray, it tells us stories of other people praying, and it tells us that prayer is essential.

Here are some specific needs we have.

Prayer needs:

- Our current and future clients
 - pressing charges
 - mental health
- People still being trafficked
- Wisdom in how to help our clients
- Our upcoming fundraiser
 - Golf Tournament (08/29/22)
- People we speak to about human trafficking
